Relaxing, encouraging and filled with blessings is what an Above Rubies Family Camp is all about. Fashioned to be both a retreat and a conference, this camp features the best of both. This will be a wonderful, family friendly retreat, with The Campbell's giving practical advice to parents who desire to raise Godly children in today's world.

Camp Brotherhood is nestled away in the Cascade foothills with 200+ acres of beautiful green Pacific Northwest landscape. We have many peaceful trails to walk or bike, farm life, soccer and baseball fields, volleyball, and a basketball court. Additionally, we have a swimming pool to enjoy, an amphitheater and a picnic shelter.

There is much to choose from, so come check us out!
